The best man doesn't always win in elections.

One State primary will probably prove to be a sufficiency.

Our roosters are in winter quarters and we think it hardly worth the trouble to bring them out on parade this week.

Officials of the State prison at Frankfort discovered a plot among the convicts by which several of the most desperate expected to escape. One man was missing and was found buried under the floor in the wash-room. This led to the discovery of the general plot to take advantage of the fact that new guards are now on duty.

LOT SALE.

Fountain Park Co., Will Sell Lots Over in the "Point" on 17th.

An auction sale of lots will take place Saturday, Nov. 17th, beginning at 10 a. m. at the residence of Col. Morrow, who owns the lots. Col. Morrow, who conducted the sale of the central addition to Louisa, will be the auctioneer.

This sale is being made by the Fountain Park Company, an association formed to make a park for the use of Louisa and Fort Gay. The bridge connecting these towns with the Point has made this commendable enterprise possible.

The company has bought about 35 acres of land beautifully adapted to park purposes and improvements have been planned which will make it one of the most attractive spots to be found anywhere. The location is only a short distance from the bridge. A portion of the tract is well wooded and has a large, never-falling spring that will run a fountain continuously and provide water for an artificial lake. The boundary also contains several acres of level ground suitable for race track, ball grounds, tennis courts and croquet grounds.

The lots to be sold are laid off around two sides of the Park, facing it and separated by a wide street. They are very attractively located and will make desirable lots for residence purposes. Those who want nice lots on which to build homes can not do better than invest here. The prices will be reasonable and you should all attend the sale. Remember the time and place. Everybody invited to the sale. Go and see the site of the new park, which is going to prove to be one of Louisa's greatest attractions.

PERT PARAGRAPHS

Picked Up At Pike, Paint and Prestons Cnrg.

Hamilton Sallards has been appointed postmaster at Childress, Pike county.

Sanford Brown's little boy of Paintsville, four years old, died of diphtheria recently.

Several cases of diphtheria in Johnson county. One death from this fatal disease occurred on Georges Creek.

Quite an excitement was created at Paintsville over a fire last Thursday. J. H. Capper's residence caught fire, but it was extinguished before any serious results ensued.

At Paintsville Tom Sellards was arrested by Deputy Sheriff C. W. Ford on a bench warrant. Sellards was fined \$50, charged with shooting at another with intent to kill, and was arrested while attending the trial of his brother, who was fined \$20 for selling liquor.

Marguerite, Louisa and Ella, the little daughters of Mack Miller, who recently returned to Pikeville from Williamson, are suffering from scarlet fever. It has been pronounced such by five of our physicians, and the house is quarantined and a close watch kept all there is little fear of the disease spreading.

W. S. Harkins and family have moved into their handsome new residence, which is now completed with the exception of the porch, which are not finished. This is one of the handsomest homes in the valley, and would be an ornament and credit to any town or city. The furnishings are beautiful, and in every detail is complete.

Pikeville, November 2.—The real estate officials of the C. and O., comprising G. B. Wall and others, came over the line to-day in a special car, and spent a few hours in the city, inspecting the holdings of the company; and, as rumor has it, we are to have a division at Pikeville near the future. Dame Rumor also says that we are to have car shops in the suburbs of our city.

Pikeville, November 3.—A vaudeville company was to have given a performance at the court house last night, but owing to the high town and county license did not do so, even though they were gilled to perform. 'Tis a fine thing for the public that there exists a town and county license that will prohibit cheap affairs that are a detriment to the morals of a community, although we know nothing of the merits or demerits of this particular one.

If you knew nothing you should have said nothing.

Tom Goodman died at his home on Bull creek Tuesday. Mr. Goodman was a man of splendid character, and his death is deeply regretted, not only by kindred but by neighbors and those who knew him. The funeral occurred at the Methodist church on Bull creek, the services being conducted by Revs. Hite Calhoun and Harry Anvil. The Masons and Odd Fellows of which lodges he was an honored member, attended from Prestonsburg. There were over seventy-five Masons and Odd Fellows in the procession, and over 250 people in attendance, showing the high esteem in which Mr. Goodman was held.

Millie, the young daughter of Mr. and Mrs. Jake Akers, died at her home at Allen City, Monday. Miss Akers was only ill a few days with fever. Her death was a great blow to her family and friends, she being the idol of her father and mother. She was 16 years of age, and was engaged to be married in a few months to Lela Martin, of Hueysville.
